

Our products inspire helicopters, fire Formula 1 cars, launch rockets into space,
electrify aviation, save hydrogen and win the 24 hours of Le Mans.
Challenges drive us.

In order to enhance our team we are looking for a

INDUSTRIAL ENGINEER – TECHNICAL & MACHINE DOCUMENTATION (F/M/D)

YOUR TASKS

- Conceptual and editorial preparation of machine and plant documentation (e.g. assembly, operating and maintenance instructions)
- Implementation and support of conformity assessment procedures and risk assessment
- Researching necessary information for the preparation of technical documentation
- Participation in the conceptual development of technical documentation
- Handling of documentation projects
- Research of technical content for different subject areas
- Interface to external partners (e.g. test centers, service providers, etc.)
- Coordination with internal departments and external partners to clarify technical requirements and solutions

YOUR PROFILE

- Completed technical education (plant foreman, HTL, FH or university)
- Ideally, experience or expertise in the creation of technical documentation
- Interest and knowledge of relevant guidelines and standards
- Implementation of technical facts in clear formulations and descriptive form
- Enthusiasm for dealing with technical issues and editorial work
- Independent and structured way of working as well as communication skills
- Team player with strong organizational talent
- Very good spoken and written German and English

- Good MS Office skills

WE OFFER

- For this position, the collective agreement "kunststoffverarbeitendes Gewerbe" serves as a basis. The amount of the overpayment in line with the market is based on the individual professional experience and qualifications.
- A versatile job in a successfully growing company
- Technical challenges and innovations in motorsports, aviation and space industries
- Various training opportunities to improve professional and personal development
- Familiar and interactive working atmosphere
- Daily fresh cooked meals
- Various company events

We look forward to your meaningful application.
